Note 1: If your vessel has not been previously moored at Port Credit Yacht Club, please provide with this questionnaire recent colour photographs sufficient to assess the vessel's condition. If the vessel is new, then a copy of a sales brochure will suffice.

Note 2: Any vessels using the PCYC harbour facilities and having the capability to discharge black water over board into the harbour, must secure the system to prevent the discharge of black water into the harbour. PCYC reserves the right to inspect the black water system on your vessel upon reasonable notice.
