

# COURSE FEES

## Our Standards

Our on-the-water sailing courses follow the curriculum of the Canadian Yachting Association (CYA). Upon successful completion you will achieve the CYA Standard for that course. Proof of this achievement is recognized by boating associations, facilities and charter operations around the World.

## Learn to Cruise vs Learn to Sail

Following the CYA system our sailing courses are divided into two streams: Learn to Cruise (LTC) and Learn to Sail (LTS). The program you choose depends on the type of sailing you intend to do.

LTC is taught on Keelboats. Keelboats are larger with weight added to the boat to provide stability. LTS is taught on dinghies, smaller boats where as you are the weight which provide stability. Both are excellent ways to start your sailing career.

## What's Next

PCYC welcomes you to join the club as a Crew or Associate Member

Sailing is a life long sport. By investing your time now you can enjoy the benefits for years to come.

## Course Fees:

- ✓ CYA Basic Keelboat Sailing \$595
- ✓ CYA Basic Dinghy Sailing \$425
- ✓ Cross-Over to Keel/Do-Over \$325
- ✓ Cross-Over to Dinghy/Do-Over \$225

Fees Include course material, GST is not included

## Added Bonus

While attending your sailing course, you are invited to use the club facilities; the clubhouse, dining room, & lounge, or, just relax in a muskoka chair overlooking Lake Ontario.

# Adult Learn to Sail

*I've waited 30 years to finally take up sailing and I am so glad I finally took the plunge (literally) . I would highly recommend this program to anyone. I am looking forward to coming back next year —  
Rochelle 2008*

# LEARN TO SAIL 2009

## CYA Basic Cruising (LTC)

If you have ever dreamed of sailing the crystal blue waters of the Caribbean, keelboat sailing is the first step to get you out on the water. This course is taught on 24ft keelboats. Successful students are awarded the CYA Basic Cruising Standards.

### **Objective:**

Upon completion of this course you will be able to sail a day sailor safely and efficiently in moderate wind and sea conditions. You will also be able to demonstrate the necessary sailing skills required for the CYA Basic Cruising Standard.

### **Training**

- Boat handling under sail & power
- Terminology
- Safety equipment and procedures
- Boat handling under power
- Understanding weather
- Basic Navigation
- Anchoring and docking under power
- Reefing
- Knots
- Rules of the road
- Crew-Overboard procedures

## START DATES KEEL & DINGHY

### Saturday & Sunday 2 Consecutive Weekends 0900-1700

- |             |               |
|-------------|---------------|
| ✓ May 2nd   | ✓ July 4th    |
| ✓ May 23rd  | ✓ July 18th   |
| ✓ June 6th  | ✓ August 8th  |
| ✓ June 20th | ✓ August 22nd |

### Holiday Long Weekends Friday 1800-2100 Saturday—Monday 0900-1700

- ✓ Victoria Day May 18
- ✓ Civic Day August 3
- ✓ Labour Day September 7th

### Monday & Wednesday 4 Consecutive Weeks 1800-2100

- ✓ June 1
- ✓ July 6
- ✓ August 10

### Tuesday & Thursday 4 Consecutive Weeks 1800-2100

- ✓ May 5th
- ✓ June 2nd
- ✓ July 7th
- ✓ Aug 4th

### Crossover Courses & Do-Over's

from Dinghy to Keel &  
from Keel to Dinghy

Course start dates above.  
To qualify you must have taken  
original course at PCYC as an adult

## CYA Basic Dinghy (LTS)

Dinghy sailing is a fantastic way to learn to sail. Small and responsive, these boats are fast and exciting and a good work-out. With an experienced CYA instructor as your coach, you will master the skills and knowledge required to safely sail a dinghy in moderate wind and sea conditions.

### **Objective:**

Upon completion of White Sail Level III the sailor will be able to sail with confidence, competently in wind speeds of 4-9 knots (8-16 km/hr) and perform the skills proficiently without supervision.

### **Training**

- Boat handling under sail as skipper & crew
- Terminology
- Rigging and de-rigging a boat
- Safety equipment and procedures
- Understanding weather
- Righting a boat
- Knots
- Rules of the road
- Crew-Overboard procedures
